

## Two words... Ten years... Thousands of kids!

Two words... **Aspire.Inspire.**

**A call to action... A challenge to potential...  
A lesson of a lifetime...**

"Reach high and do your best. Pass it on to all the rest."

### ★ Ten years: Our journey of experiences and activities

1999 2009

### Thousands of kids

*It's impossible to estimate the number of hearts and minds that have been touched!*

**Thank you! Thank you! Thank you!**

We couldn't have done it without you! Your volunteer hours and contribution dollars have taken those two simple words on quite a journey. Who can imagine what lies ahead!

Thanks for helping us change the world, one backpack...one child...at a time!

**Let's celebrate this milestone!**
